

Bicycle Master Plan

2014 Recommended Bicycle Network – All Ages and Abilities Routes

-  2014 Bicycle Master Plan Network
-  Link to routes outside of Victoria
-  Potential All Ages and Abilities Route

Potential All Ages and Abilities (AAA) routes will be designed to feel comfortable for a range of riders and offer a low-stress, high quality cycling experience. Depending on the route, AAA routes may include traffic calmed local streets, off-street pathways and separated bike lanes on major streets.
